Stonebrook Estates HOA Board Members

My name is Wendy Pettingell, and I am a resident at 8604 Moraine Drive. I moved to the community in 2009 as a single parent of two children. This is my first home I acquired on my own and I take great pride in that. Additionally, I take great pride in everything that I do and own. A home is a big investment and I enjoy making improvements and maintenance, which most projects I do myself for many reasons, but the end result brings me joy.

I am an executive assistant at Mentor, a Johnson & Johnson Family of Companies, where we manufacture implantable medical devices. May 6 I will be celebrating 26 years of service. Another milestone I'm very proud of. I love the company I work for and the people I work with. I feel it is my second family. As an executive assistant at Mentor, I provide administrative support for our top leadership team, external J&J customers, coordinate company sponsored initiatives, and physician tours of our manufacturing processes. I'm a member of our ERT (Emergency Response Team), and our Credo Action Team. Our Credo team is responsible for coordinating events that help build employee morale and supports our guiding principles of our commitment to our customers/patients, employees, community, and stakeholders. Some examples of the events we coordinate are annual company picnics, employee surveys, Susan G. Komen Dallas Race for the Cure events, company potlucks showcasing our diversity, and holiday parties just to name a few. Also, in my role, I've had the pleasure of support our HR department and the needs of the employees. It is a way I get to engage with our employees providing them guidance with personal or work-related issues or just assistance with simple transactions such as employment verification, benefits election, request for a leave of absence, etc.

My personal hobbies are of course home improvement projects, gardening, outdoors and physical activities such as cycling, rollerblading, gym exercise, cooking, traveling, and volunteering. I've attended Hope Fellowship (on Rolator) for 11 years and just joined their volunteer group. Helping others and giving back to the community is a passion of mine.

I hope you will consider my candidacy for a position on our HOA Board (preferably not President). I will bring my organizational skills, support to my team members as well as our community. I look forward to coordinating fun activities to bring us closer together and at the same time welcome every opportunity to serve, help or be the voice of our community making Stonebrook Estates a fun and great place to live. I thank you for your consideration.

Sincerely,

Wendy Pettingell
