

Adrienne and Marc Suits have been residents of Stonebrook Estates since we purchased our home in November 2020. Together we reside with our two children, Nolan (10) and Scarlett (5). Stonebrook Estates is a wonderful place to live and raise a family, and Marc would like to be a member of the HOA to help ensure it stays this way.

Marc is a Senior Loan Officer for Supreme Lending and has been in the mortgage business for 18 years now. His experience as a leader in this industry, has afforded him a unique perspective that can bring value to the HOA Board. Earning many accolades in that time as a top producer and manager, Marc knows the value of hard work, good communication and strong leadership skills.

Together with other HOA board members; he aims to bring his vast knowledge of business and strong work ethics, to keep this neighborhood a vibrant, safe and quality place to call home. He looks forward to serving his neighborhood and his community.

In his spare time Marc is big sports fan, and an avid golfer, both disc golf and ball golf. He enjoys traveling with his family, spending quality time with his children and being outdoors.
